WINE LIST

We used our many friends and staff to close in on this wine list.

You will discover some amazing fruits of the vine in:

- Dave Smith's Choice
- The Buccleuch Recommended
- The Buccleuch Selection

Some of the wines were selected from our own historical experience.
Some were specifically selected for some of our food dishes,
and some were selected because they were simply great!

We do hope you enjoy them as much as we have done in selecting them.

So ...

...we encourage our guests to have a small taster (on the house) of any wines that they are not familiar with. There is no obligation just our desire that you enjoy, to the full, our wine offering.
