HOUSE OF ELRICK

GIN

House of Elrick are proud to partner with Loch Ness Water in producing a beautifully crafted artisan Gin with water sourced directly from the world famous Loch Ness itself.

Loch Ness Water

Loch Ness Water is like no other bottled product. It stands proudly alone from the many other types of bottled water available due to the uniqueness of where the water is sourced. Extracted straight from the body of Loch Ness, our water is then prepared and bottled right here in the Scottish Highlands.
